No, Lisa, though I saw Tim working from it yesterday. I don't need it. I just need somebody to review the draft page Tim made and bless it so I can publish it and link to it from our Upper Animas site page.

Tim—can you set up a webpage called “EPA Gold King Mine Release” for possible use? I’m thinking of a format similar to Glendive spill where we can post updates for a while and direct folks to current statements and updates pulled from polreps. Keep it offline for now, I’ll send you some language in a bit.
